

About the WEBSITE

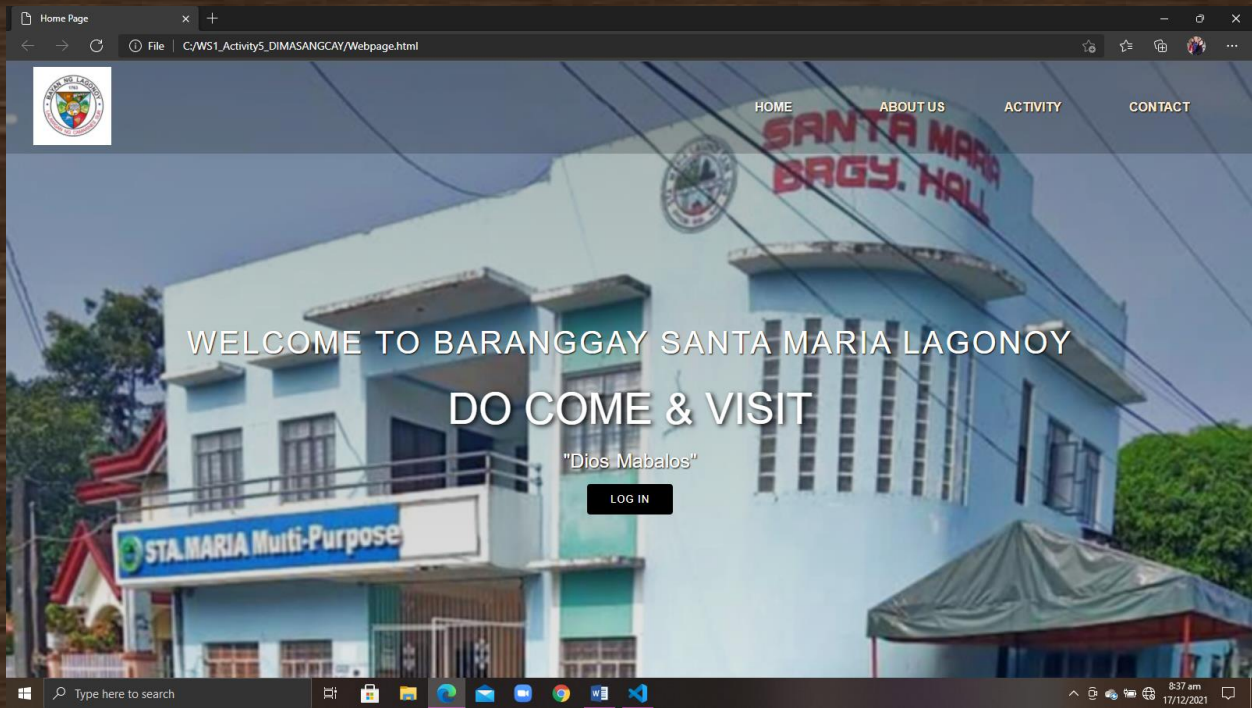

This is a simple website which includes the history of the baranggay Santa Maria, activities are done every year and also the famous tourist spots covered or located in Santa Maria. Whit that this website will help our baranggay also the residents by being recognized of having one of the historical churches, through whit this we can show or share those details to other people out there what our baranggay has and that one-day people in our country will recognize it as well as in other countries which will also help the residents of our baranggay.

The following are the advantage of this website:

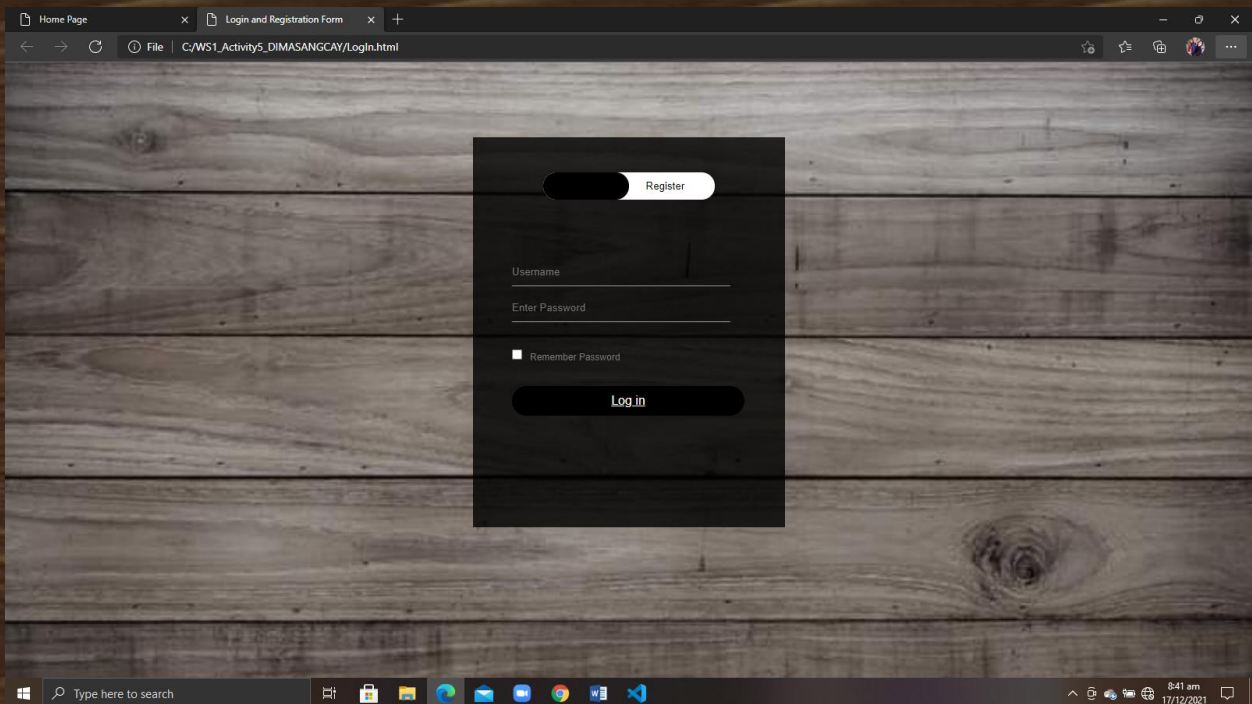

- It will be a platform to start open a tourist spot
- This will help our baranggay to be recognize more
- Easy to share knowledge to others about our baranggay

The features of the website

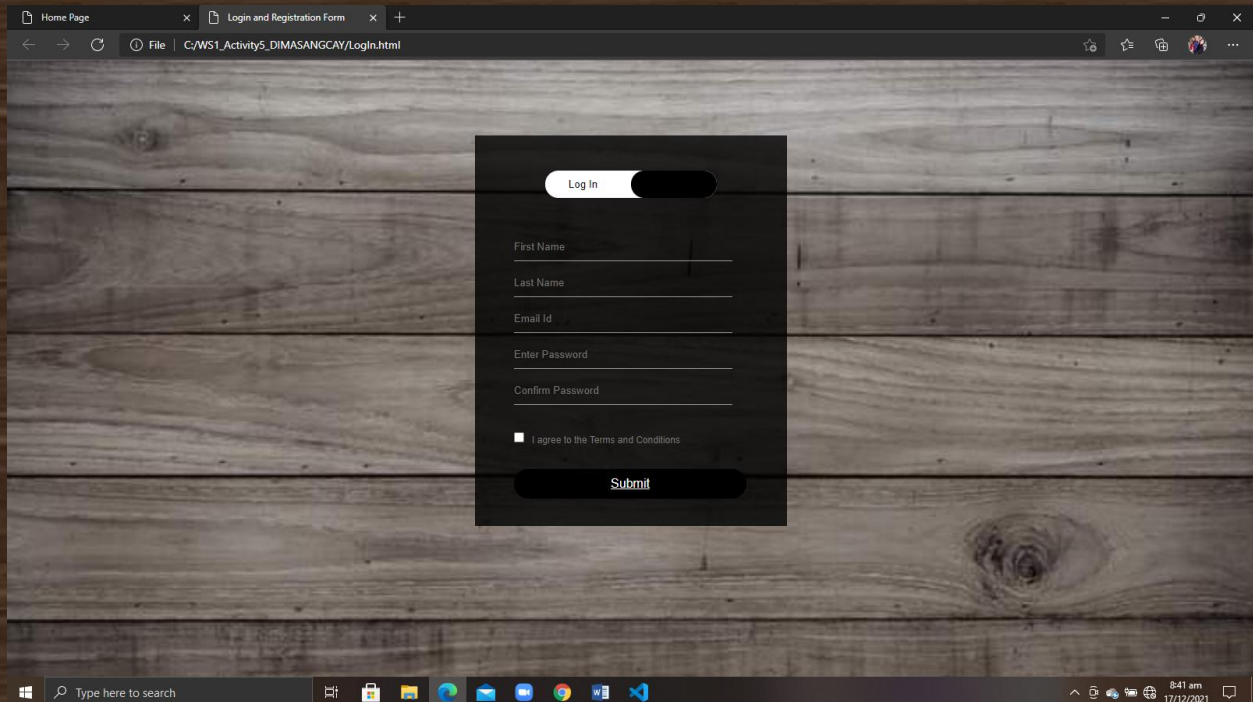

This is the first feature of my website.

The Log in page.

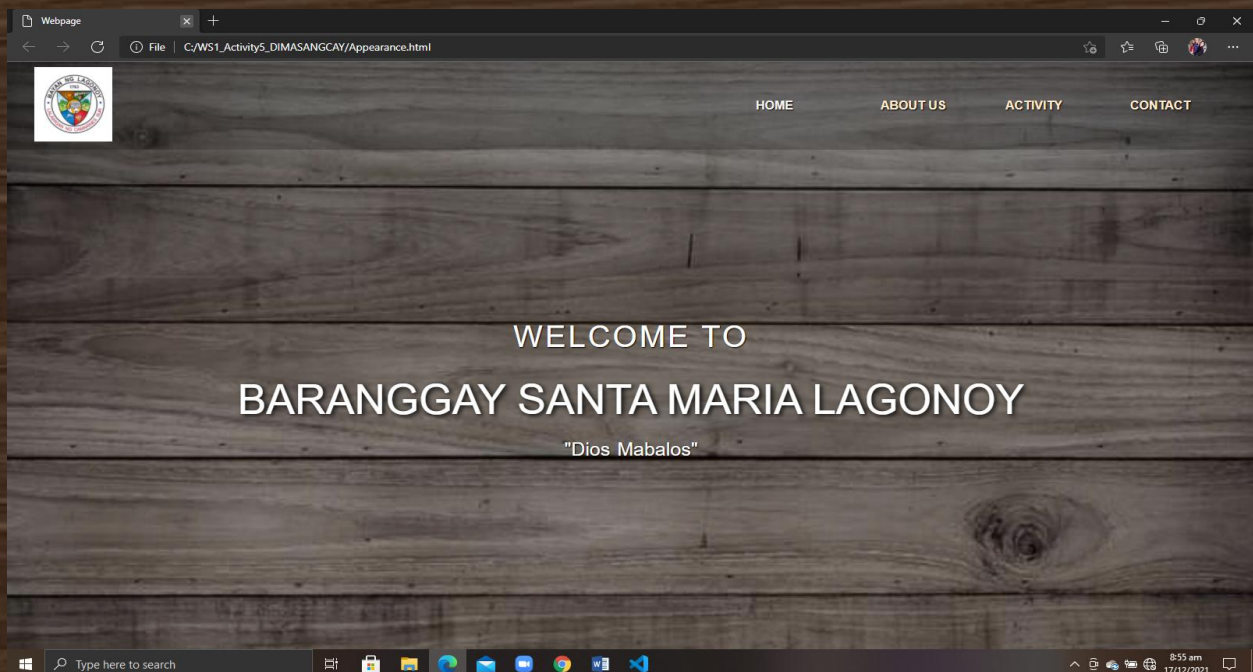

As you can see this is the register form that include the (First Name, Last Name, Email ID, and the Password to access the website you need to log in or to register first and the mean reason why a little input in the register form is that it is easy and fat so that there is no hassle for the users.

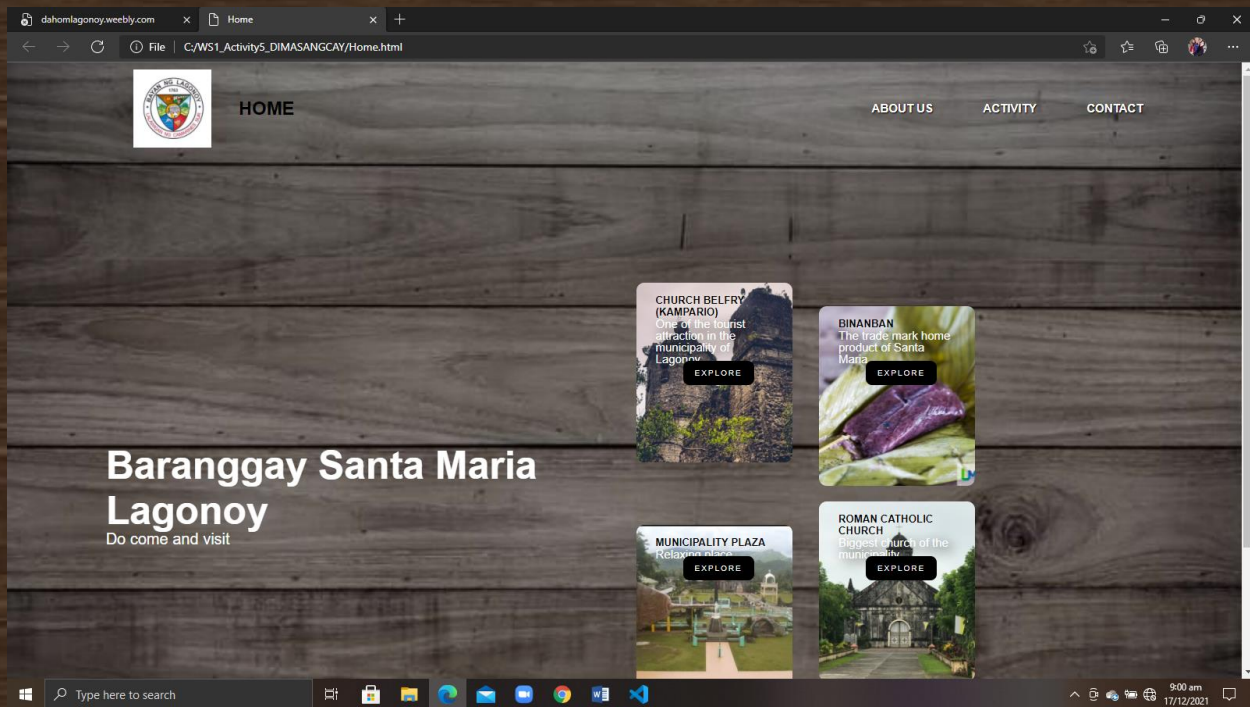

The screenshot shows a web browser window with two tabs: 'Home Page' and 'Login and Registration Form'. The address bar displays 'C:/WS1_Activity5_DIMASANGCAY/Login.html'. The background of the page is a dark, horizontal wood grain texture. A dark gray, semi-transparent rectangular form is centered on the screen. At the top of this form is a toggle switch labeled 'Log In'. Below the toggle are five input fields: 'First Name', 'Last Name', 'Email Id', 'Enter Password', and 'Confirm Password'. Under the password fields is a checkbox labeled 'I agree to the Terms and Conditions'. At the bottom of the form is a large, rounded 'Submit' button. The Windows taskbar at the bottom shows the search bar, task view icon, and several application icons. The system clock indicates 8:41 am on 17/12/2021.

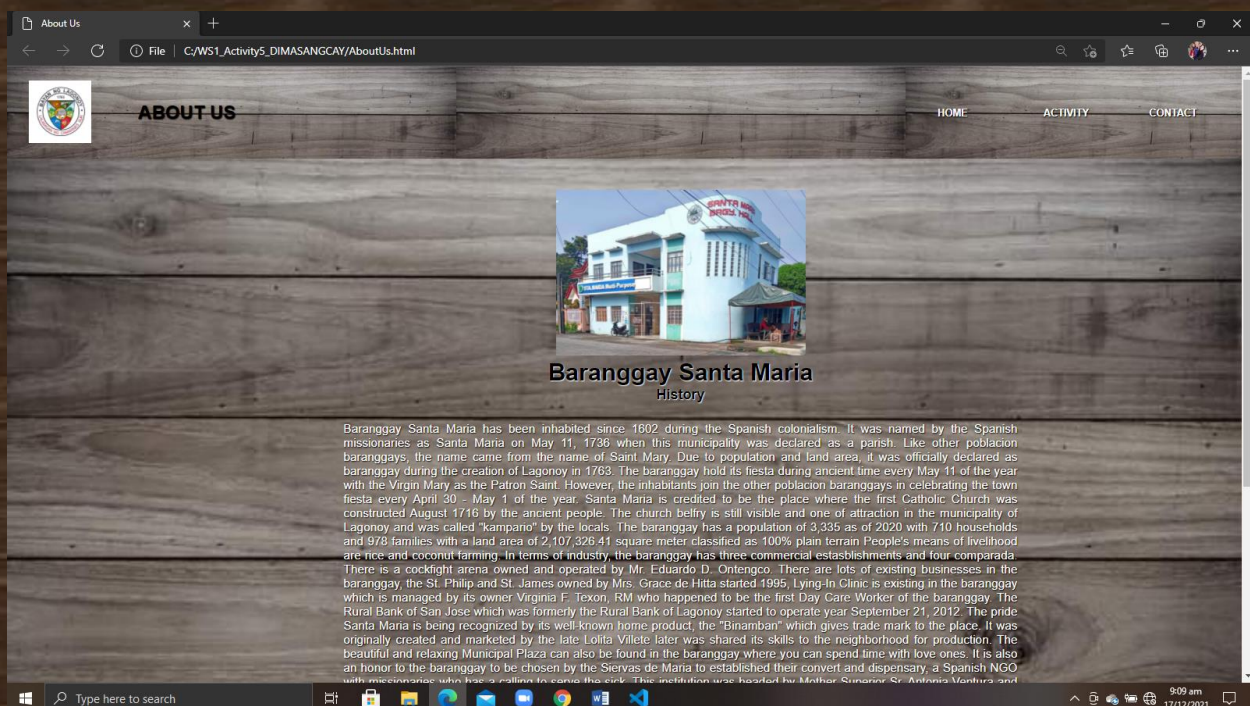

In this part is the feature after you log in on the website a simple details and design which is same with the background of the other features and also as you can see on the navigation bar is the Home, About Us, Activity and the Contact.

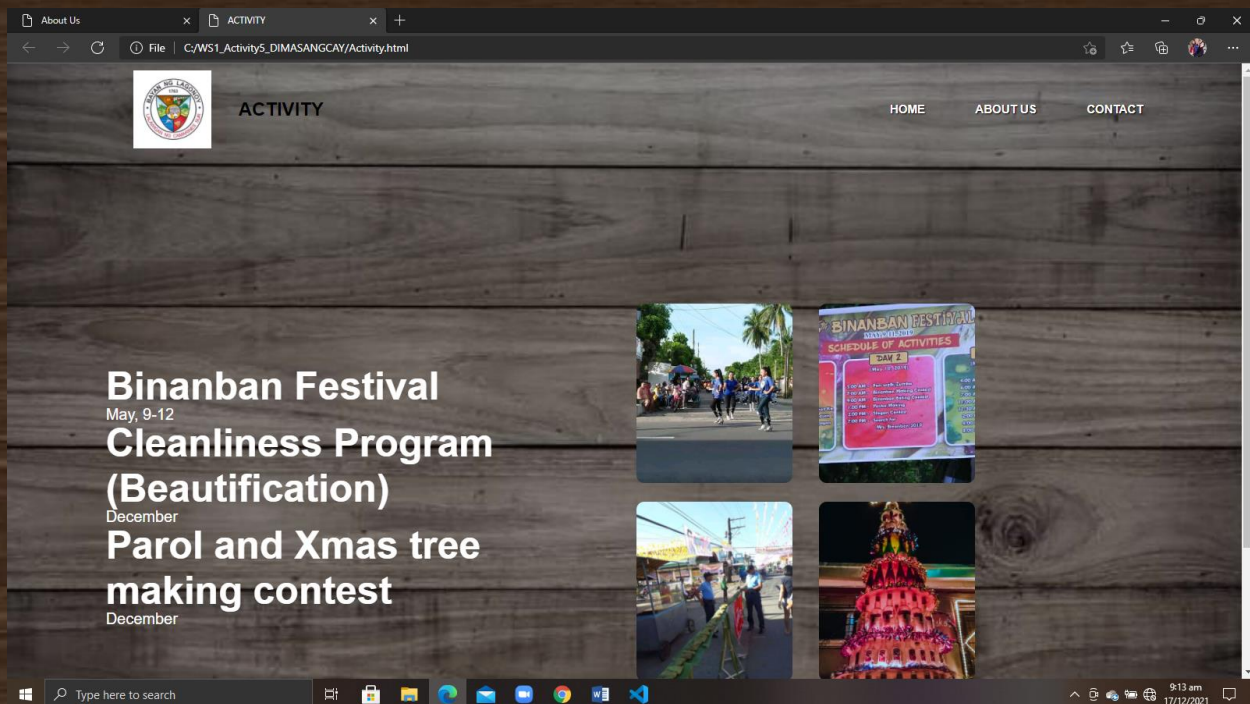

This is the HOME page where you can see the image of tourist spots the located in Santa Maria and then in image itself there is a navigation which is the explore then when you click on it in each image it will take you to another website that regarding in those images.

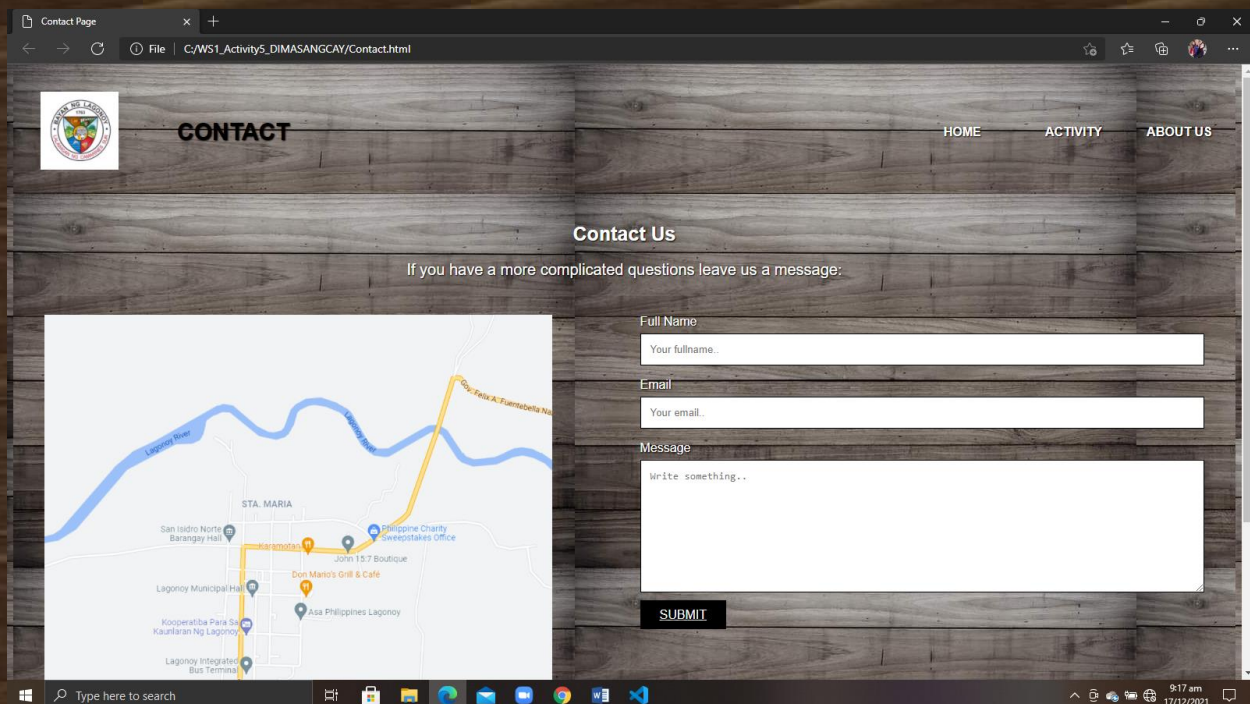

This is the ABOUT US page which include the history of our baranggay and also the details or document about the website.

The ACTIVITY page is same design with the HOME page in activity page there is a little image about the activities that they do every year.

In CONTACT page is where there is a google map image of Santa Maria also in the right side is the form where you can input a comment or question about the website our about our baranggay.
